

To all ex-students of Hindu School, 1-B Bankim Chatterjee Street, Kolkata

Dear Friends,

We are a handful of ex-students of Hindu School, Kolkata from different batches trying to arrange a **Get-Together and Tea Party** on 7th March Saturday evening at 5-30 PM.

Our only credential here is that we love our School and wish to create a network of students and ex-students world wide who also loves the School.

This will be our first get-together in Kolkata. The Bengal Theosophical Society Hall (Beside University Institute) has been booked for this.

Till now we have been able to create a website (www.hindu-school.com) about our beloved school and published an on-line magazine "Anuranan".

Ex-students in Bangalore and Mumbai are regularly meeting in similar get-togethers and created city wise chapters for Hindu School Ex-students.

The only agenda for the day is to come at one place, meet our batch mates and ex-students of other batches, reminding ourselves of the golden time we spent in School once more and of course to enjoy the Tea and Snacks.

Ex-students of 1981 Higher Secondary Batch wanted to sponsor the Tea and Snacks for this first get-together and they have booked the Hall as well.

We are very eager and excited about the success of the meet and looking forward to see all of you there on the day.

Please confirm your availability positively by end of this month (28th Feb) either by replying to hindu.school@yahoo.com as we will need to know the total number for arranging the Snacks.

Please cascade this message to all your batch mates and acquaintances who are Ex-students of Hindu School and convince them to come along with you.

See you all on 7th March at 5-30 PM.
